Thread: [Tip to turn all your tools into AI - totally legit](#)

Oh_Well - October 15, 2025, 12:28 am

Hey, just a quick and totally legit tip to turn your tools into AI fast.

Change all "loading.." states to "Thinking.." and all the "Submits" to "Ask".

You have an Agentic AI tool now, thank me later. ?

Currently working on an total AI generated website where u can create ur own tools & websites in fully AI :)

AI is becoming the future, and we as humans have to respond to it for our own future haha

In this crazy AI era, you don't even need to use AI, you just have to sound like you do ??

Turn simple phrases into catchy AI ones. For example, don't say "Dashboard", say "Intelligence Hub" hahahaha
