Yeah but that's over the last 13 years. I'm averaging less than 1k per year, so it will be another 12 years before I get it. ?

I'm up to 60% for the 24k. I'm just hoping the Politics forum doesn't get deleted before then. I'm at 85% for the pumpkin.

Congratulations on 10,000 posts.. that's a pretty significant amount of posts, within such a short period of time. You've been quite active, just what we like to see. See you when you reach 24k.

**Jinu** - *October 27, 2025, 11:16 am*

Kudos, buddy. I've been trying to get the 10K but many times forum posts got purged. And I lost many posts.

Congratulations! 14k more to get that beautiful award on your profile.
