That's the spirit! Turning idle bytes into a community event — love to see it! Hoping for the best for your first lottery!?

Try to promote it on the convo every now and then. You'll drive more sales on the convo specially the time when other members are online while some others are flipping some bytes.?

A hundred bytes is a lot, so maybe not. I'm so risk averse. lol

?? Maybe a smart move but maybe that 100 bytes would be the winning ticket ?

Noted though for the next lottery ?

The 100 bytes could indeed be the winning ticket.

The current prize is 3,595.5 ?ytes ??

Is 100 bytes a risk or a uncertain investment ? ??

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
