Hey guys. If you ask me for a link, then you get offended because I sent you the link without saying "thank you" in private, publicly showing my appreciation and kissing your feet in advance for pressing a button, don't bother. This is an exchange, you press 2 buttons, I give you some bytes, don't be wasting my time.

On topic: I've paid 1100 bytes until now and still looking for more. Reply and I'll send the link.

Correct - You pay bytes.

I said I'll do it for free, I expect a thank you.

If you don't have the manors for that, I won't waste my time helping you out.

You get what you give.

Have a blessed day buddy.
