Thread: [Finally finished Criminal Minds](#)

Oh_Well - *October 22, 2025, 1:07 am*

I started watching Criminal Minds 8 months ago and I finally finished the 18th season and now waiting for Season 19.

Has anyone else watched it? What did you think?

I liked the way Disney stepped in and turned it into Criminal Minds Evolution, I liked the bigger story in the last 2 seasons.
