Sorry I'm a bit lost. Is this a seperate offering from their annual membership, or the same but at a discounted price? It reads like it's the same as their 'Standard Plus' package, but with 4 free visits. Is my understanding correct?

Seperate offering . Hence the price difference. This is a Pass with 4x use . After you've used it 4x it stops working . I hope that makes sense . Difference with this one I'm offering is , your able to being in guest without paying .

Are you doing any vouch copies? I assume you would need people's real first/last name?
