Everyone talks about bad movies.

Cats (2019) made me question film itself. Pure nonsense.

What movie made you question why it was made at all?

You didn't even type the full name of the movie right with your low quality posting. Can you read the Help Documents please?

National Lampoon movies were not something I enjoyed.

Bird box i think is the worst movie i watched

it was popular before covid lockdown happened and maybe during it.... not a good movie in my opinion
