Thread: [Moments that made you feel alive](#)

sharn - October 26, 2025, 10:59 am

Skydiving made me feel completely alive.

Jumping out of the plane was terrifying. My heart was racing like crazy.

What is the scariest thing you have ever done that made you feel alive?

Deany - October 26, 2025, 11:00 am

I can't say, I am too dead inside

DAL-SHA - October 26, 2025, 11:01 am

Using Vices Maybe give this feeling ??

Never had a moment in my life that made me feel alive more than i was high on some VERY expensive shit!

The first time I had a patient code on me and go into cardiac arrest and my partner and me had to work against time in order to save their life and the moment they started breathing again with a pulse was definitely it for me. It truly felt unreal
