Thread: [RedTiger Malware Steals Data, Discord Tokens and Even Webcam Images](#)

Chorozon - October 28, 2025, 8:52 am

Discord is all over the news these days

RedTiger, a red-team tool turned malware, steals Discord tokens, browser/crypto data, game files and can grab webcam pics. New flash lol don't download sketchy mods/tool enable MFA, revoke Discord sessions and have a AV.

Yeah literally

Even if you trust a discord tool i don't think you should ever be downloading things and running them

True. When I started out with Discord, it wasn't like that. Now, it has become so complicated with those additional services that I personally unnecessary, at least for me not sure with other users.

Thanks for the share anyways.

Exactly very unnecessary , keep it simple and stay safe.

No problem man glad you got some value from it.
