Thread: [US will reduce its troops on Nato's eastern flank](#)

B3A - October 29, 2025, 12:47 pm

US will reduce its troops on Nato's eastern flank, Romania says.

Do you think this is getting somewhere?

I don't think the US and China will reach any worthy long lasting agreement with the current administration due to so much flip-flopping. I also think China is dead set on taking Taiwan which will drag the USA into a war all while we are about to end up in a war with Venezuela.
