Thread: [Complete Bulk Email Sender Service 1 Year Plan](#)

locaina - November 3, 2025, 4:00 am

Price: \$399 for the first year, \$249 yearly renewal

Boost your email marketing campaigns with a fully configured, ready-to-use service designed for maximum deliverability and performance. Perfect for agencies, digital marketers, and businesses that want full control and independence.

What's included:

PowerMTA SMTP server setup — send unlimited emails with superior deliverability

Mailwizz email marketing software — schedule campaigns, track delivery, bounce rates, and more

Database scraper tool — extract leads from social media and Google GMB based on keywords

Email list cleaner — remove risky, fake, or inactive emails to reduce bounces

Huge USA business database — 200 million contacts with emails, phones, addresses, and company names

Access to GHL (Go High Level) platform — powerful CRM and marketing automation included

Private VPS server — 6 cores, 12GB RAM, 100GB SSD, plus 3 dedicated IPs for your campaigns

24/7 personalized support — we are here to help anytime you need

Annual plan details:

Full access for 12 months

Discounted renewal at \$249/year

Get started today and unleash the full potential of your email marketing!
