Thread: [Who hacks in bo6? Or not hac. Im a blue print pulling fool!](#)

**OpSecSurvival** - November 6, 2025, 8:43 am

Im lvl 1000

lol

Soon as I can get my pc logged in (friggin 2FA) I'll post pics/clips of my shenanigans at level 1000 legendary prestige

Anyone else pull off any nice glitches in Bo6?

Should probably move this to gaming... will do so asap

Do you play multiplayer or warzone? I'm currently level 551 and only play warzone.

Sadly I'm a Zombies MAIN but I've been level 1000 since season 2 week 2, u can check my account lol (SweetGPT)

here's a video of me wrecking shit with the x52 Resonator b4 it was EVER released. check my upload date ;)
