Hi ? everyone

Just found a promo from Namecheap. Thought that's worth sharing.

What You Get

1 Year free domain: choose from (.site , .online , .store)

2 Months Free Business Email

How To Get

Go to promo page : [Namecheap](#)

Pick your domain extension

Choose 1 year plan

Apply promocode: FREEDOMAIN25

Complete checkout and you will get free domain

It's just a little bonus domain- perfect for little projects.
