Thread: [Buying real-time shopping data database for the USA/CA](#)

marrbe947 - November 13, 2025, 1:06 am

Buying real-time shopping data in USA/CA.

I need a large amount of real-time shopping or delivery data from USA/CA. If you have any, please message me. Technical experts are also welcome to message me. Generous compensation offered.

need first-hand US/ca none sold in shops.

I need at least 2000+ daily now.

marrbe947 - June 22, 2026, 1:35 am

There are far too many scammers.

Test the sample data; if you're not satisfied, don't pay. Once the test is passed, pay immediately.
