Woman Leaves Husband For Elon Musk Romance Scam!

[Video: <https://www.youtube.com/watch?v=dahfNc1ibQc>]

With these celebrity romance scam someone tried to do it to me based on someone I wrote a whole 75,000 word book on and he didn't know the first thing about the celebrity. Nigerian must have just noticed some connection between myself and the celebrity and tried to assume I was just some fan, his stupid attempts were very like the Stranger things romance scam show on this same video channel. Showing me photos of a safe to say there were gold bars in it, and I'm thinking, "How is a photo of a safe supposed to prove anything?"

It's sad to see how gullible some people are.

The latest one she lost 2700000 she also sold her house to get more money for him. She just giggled all through the team showing her that it was a scam. I guess she has dementia.
