Thread: [11K\\$+ This Month By Just Posting Reels On Tiktok & Instagram || Easiest Way To \\$\\$\\$](#)

Diamond Hands - November 18, 2025, 3:51 am

Every tech giant is fighting for your attention right now—shoving Reels-style content down our feeds nonstop.

From Instagram's endless scroll to YouTube Shorts and TikTok's viral machine, the battle for short-form video domination is insane.

These platforms are in a cutthroat race to keep you hooked... and if you're not cashing in on this wave, you're skipping the easiest online money opportunity of this decade.

All you need is a phone and CapCut. That's it.

Drop a comment or PM me—I'll teach you.

This is a Mentorship i help you get started 1 on 1 not a Ebook with just the method and you need to signup under me

I wasn't going to say anything, but I re-read your OP and this is a little misleading and I am confused

You sent me link to: <https://app.glitchy.com/ref?id=REDACTED>
but no "full method step-by-step"

I am confused

Quote: Drop a comment or PM me—I'll send you the full method step-by-step, plus my personal contact so you can get help anytime.

What you actually do is send a Referral link with 0 information. You also tell us to contact you, and that if we do not use your referral link then you will not help us.

So this whole claim that you send the full method step by step & then offer personal contact if we need help is kind of bullshit.

Am I wrong?

If I'm wrong, please send the full guide step by step without forcing me to use a referral link first.

Your msg:

Quote:let me know your username once signed up :)

You need to signup as a referral under me to get mentored by me which is only via this link i gave you.

This thread should be in referral links section maybe

This is a mentorship not just a method if you want to post reels just open instagram and do it simple as that

to know how i do it how i earn money with posting reels i am not just going to give it to everyone without them working under me proving they will put it to use

i help them 1 on 1 with every questions and queries which takes more work than just writting a slop PDF, i think youre new to this or its just people dont appreciate free things these days

but its alright im back now PM'ed everyone above this Earnings quadruppled this black friday

This is a mentorship not a PDF file you need to signup under me to get started

Hello, I'm interested in this. Thank you.

slicka911 - December 2, 2025, 12:11 am

Just curious why you're showing your cousins earnings, and not your own earnings? Another user is saying all you did was send him a referral link and there was no 1 on 1 mentorship. So can you show us your actual earnings and elaborate on what we will be getting other then a referral link? Are we going to have to find a bunch of people to sign up under us to in order to earn the money? Or can was just post reels like it says in the op?

I am not trying to undermine what you are pitching, I just dont want to waste my time if this is just a ploy to get people to sign up under your link

why after being your referral i'm not get a 1 & 1guide or help to make money? you just told me to talk to anyone else?

this you right ? you leave my texts on seen and expect a 1 on 1 ?

Closing this thread as none of you ever want to work you just want a guide all talk no actions most leave my messages on seen while doing a 1 on 1 and i keep doing a follow through i guess i realized people really dont want free stuff these days as they ask too many questions without doing anything or something magical button to press and make money and not wanna put it the work

ill make a guide of my method and sell it as a ebook
