Nice, it was a hispanic place so we got a mix of different cultures out of South America

I mostly got sausage, but some beef and chicken in white rice & yellow rice too

Nice, sounds like a solid plan.

I am just having some leftovers today, nothing exciting, but it will do.

your rating does not line up with what happened. Nothing in my message was rude or off.

Leftovers can hit harder than the original meal. Today just was not one of those days.

I would appreciate it if you would reconsider your rating.
