Thread: [Coin To Buy on This DIP?](#)

anmolpokhrel - November 20, 2025, 8:56 pm

Hello, Does anyone have recommendations on which coins may be worth considering during this market dip—ideally those with strong potential for profit?

Technically I deployed nodes tokens to Ethereum once upon a time but I lost the owner wallet

It's pretty stable, no fluctuation, average token price of \$0.00 flat
