**Hackers** - November 25, 2025, 6:01 am

If you are a L33t user, you are eligible. Simply reply below. First 3 get a landing page :)

Please include:

- > Brand / company / website name
- > 2-3 main colors
- > Dark vs Light theme preference / favorite
- > Type of content / purpose of web page

I will send you a final zip or singlefile HTML page.

Please let me know if you need a single file build, or if you can run a web app, such as with React or another framework.

Thanks, I made 10 websites with some having many pages - last night alone :)

I am honestly almost offended i cannot give this away, this is NOT the first time I and others have  
struggled to give away free time & access to AI/LLM related products or services.
