As the title says folks.

I can find the phone number of nearly every telegram account.

I will not answer the question "how?".

Price per account \$10

What do I need Just the username

Payment method Any crypto

Speed When I'm online, instant.

Price will increase to \$25 per account if demand is high.

Sorry for the ugly thread. Writing this on my phone.

I will ONLY do deals with a contract.

Let me know the username first through DM so I can see if I can get it.

5/5 vouch copies available

I'll happily take a vouch copy and write a bit about the process if you'd like

All the best!

Will take a vouch copy if you would like to provide; would be more than happy to write about my experience and the accuracy of the service.
