Make Thousands in Profit Selling Leads !!!

You can make \$200, \$500, \$1000, \$2000 or more for each database you sell. I will show you where to get leads for FREE and where to sell them to clients.

We Have These Types of Data:

Full Company Database

Consumer Info Database

Phone List Database

Email List Database

Forex & Crypto Database

Casino & Game Database

Database of Large Sites

Here are the packages you can buy:

? VIP 1: \$250

What you get: Access to lots of data that usually costs thousands.

The training: I'll mentor you on where to get leads for free.

Where to sell: A list of over 100 forums and 300 Telegram groups to sell your data.

Potential Income: \$1,000 - \$5,000 per month as a data seller.

? VIP 2: \$1,500

What you get: Everything in VIP 1, plus more expensive data.

The training: The same mentorship on getting free leads.

Where to sell: The same lists of forums and Telegram groups.

Extra: Unique Casino Gambling data to help you make more sales.

Extra: The BlackMaler Mailing System with SMTPs to send emails.

Potential Income: \$2,000 - \$10,000 per month.

? VIP 3: \$5,000

What you get: All the data access from the previous packages.

The training: The full mentorship on getting free leads.

Where to sell: The full lists of forums and Telegram groups.

Extra: A full Casino Gambling portfolio that you can resell as your own.

Extra: A method to spam on Telegram without getting banned.

Extra: Open Redirects for Mailing.

Extra: The BlackMaler Mailing System with SMTPs.

Potential Income: \$5,000 - \$20,000+ per month.
