It is December!

The last month of the year has begun! While most of the world is still in November, Kiribati (UTC+14) is already celebrating. So... Merry Christmas everyone!

Murica still in November

Yanix - November 30, 2025, 2:05 am

A day before December, Merry Christmas to you! So what's your gift for everyone? lol

Ya know, your name confuses me. It means something in my language, and I feel like you might be from the same country.

But you mentioned UTC+14 etc etc. But that is just me. Good morning from UTC+2

Merry Christmas! ???

Do you have a twin brother named ATARI. ?

The old video game console and 16-bit home computer came to mind when I read your name. ?
