Thread: [Residential Proxies with Unlimited Traffic Advanced.name](#)

advanced.name - December 7, 2025, 4:02 am

Since 2005, we've been delivering high-speed residential proxies with truly unlimited traffic across all tariff plans. Our flexible pricing (hourly, daily, weekly, monthly) combined with massive, constantly refreshed proxy pools has made us a leader in online security for decades.

? Key Advantages

- ? 60,000+ proxies online 24/7
- ? ~30% of IPs refreshed daily for maximum anonymity
- ? Prices starting at \$0.5/hour
- ? Proxy pools available for Worldwide Mix, Europe, Russia, and China
- ? Supports SOCKS4/4a/5, HTTP, HTTPS
- ? Access to the external IP address of each proxy
- ? Country-specific lists available on request
- ? Filter proxies by speed and uptime
- ? 1-hour free trial for any package, instantly activated
- ? Flexible subscriptions: hourly, daily, weekly, monthly
- ? 13 tariff plans to match your needs
- ? No forced IP rotation every 10 minutes! Each port is tied to a specific proxy, ensuring stable IPs throughout its lifetime.

? Perfect for:

Web scraping & data mining – collect prices, reviews, news, and analytics at scale.
SEO & digital marketing – track keyword rankings, analyze competitors, and run bulk queries.
Social media management (SMM) – operate multiple accounts safely without bans.
E-commerce & retail intelligence – monitor product availability, pricing, and marketplace trends.
Cybersecurity & privacy – protect identity, bypass geo-blocks, and test applications securely.
