Thread: [\[H\] \\$143 Paypal balance \[W\] Any Crypto Btc/Eth/Ltc/Usdt/Sol \(One-off exchange deal\)](#)

Israinsolutions - December 18, 2025, 3:13 am

Hey, I have \$143 PP G&S in my Paypal balance account.

I will take Any crypto for that with some fee.

(One-off exchange deal thread, will be closed once it's done, as I already have vouched/repped Exchange thread running here)

I can pay this for any Product purchase, paying Fee/Service/Invoice etc too so it saves the g&s receiving fee.

Reply here, PM me or Message on anyone for quick and easy exchange.
