Thread: [Hackforums.net on the clearnet? WTF?](#)

APIron - December 19, 2025, 3:46 pm

If I have read over, or missed anything, then I apologize in advance. But why is this forum on the clear-net instead of having an .onion address??

Wait what? But I just got my credit card approved to give it to you??

Nah OP, we're geeks that like to fuck around, some people do illicit stuff, most just like tech and like seeing the underbelly it's capable of.

This site is more for education than solicitation of unethical or immoral behaviour.

Because there's nothing illegal about site itself? It's not like we're running a drug storefront

Deany - December 20, 2025, 12:11 am

Huh whatchu mean I thought this was a gambling site

dmitribovv - December 20, 2025, 12:24 am

Yet there's no leak of hackforums real IP address. Ways curiosity has no limitation!

We are not that dangerous man , and we still need normal traffic and seo for cash income

JoshAllen - December 20, 2025, 5:25 am

Because we are not doing anything illegal here.

APIron - December 20, 2025, 5:13 pm

Oke Oke I got it fellas..... sheeeeeeshhh

Mercury - December 20, 2025, 5:19 pm

Because no illegal activity is conducted on this site..
