Featured Chrome Browser Extension Caught Intercepting Millions of Users' AI Chats

A Google Chrome extension with a "Featured" badge and six million users has been observed silently gathering every prompt entered by users into artificial intelligence (AI)-powered chatbots like OpenAI ChatGPT, Anthropic Claude, Microsoft Copilot, DeepSeek, Google Gemini, xAI Grok, Meta AI, and Perplexity.

The extension in question is Urban VPN Proxy, which has a 4.7 rating on the Google Chrome

If its free... you are the product.

Jamika - December 26, 2025, 8:50 am

Saw it several times... it's a good thing I haven't downloaded it yet.

hussain.spams - December 26, 2025, 11:21 am

Other extensions from Urban Cyber Security Inc. showed similar behavior:

Urban Browser Guard

Urban Ad Blocker

1ClickVPN Proxy
