What's your favourite time of day?

1. Morning
2. Afternoon
3. Evening
4. Night

I'd have to say night time is my favorite time. It's quiet, nobody expects anything from you and/or they are sleeping.

I'm a bitch so I sleep early, but I like night time.

Evening seems to be most comfy for me imo.

Don't ask me why I voted night since my blindass cant see and wear glasses, maybe because I get to sleep.

Evening to Night. It has to be dark enough but not late enough where I start to feel sleepy.
