Thread: [Sunset on My Way Home](#)

I took this photo of the sunset while I was on my way home. It was captured using my phone, and I really liked how the colors turned out.

Sorry if the quality isn't the best, it was taken with my phone.

Your country seems to have very nice and well maintained roads, I like it.

Almost looks like the Australian outback.

Thanks for the comment, bro. But this is real. I'll upload another photo for you. I was exhausted on my way home, so I took a break and captured this moment.

This is another photo taken on the same day :

When you see it too often, it feels ordinary, bro. I take this road a lot, and you know there's a beach right beside it. Hope you get to come here someday hehe.
