Thread: [1 BYTE = 1 TICKET - 2 WEEK LOTTERY](#)

Chorozon - January 12, 2026, 7:40 am

[ENTER HERE](#)

Its time for a brand new lottery !

The last lottery won one lucky user 15615.72 ?ytes

So here is the last of my bytes and good luck !!

RangoWorld - January 14, 2026, 4:29 am

Bought some tickets because why not. Though I have not won a lottery on HF yet. I still remain hopeful.

This might be it for me. Hopefully more people join in.

Yanix - January 14, 2026, 6:52 am

Nice one, congratulations to [JoseMar](#) for winning this lottery, you are so lucky!

Thank you so much, mate. Indeed, it was great to see that I received the message from Stanley. I would've been left with just 200 bytes if I hadn't won ?

Luck was defiantly on your side ! Will you take the prize again ? ?

Current Prize 863.68 ?ytes

Total Entries 430 (Jan 14, 2026 05:29 AM)RangoWorld Wrote: [\[CITE\]](#) Bought some tickets because why not. Though I have not won a lottery on HF yet. I still remain hopeful.
