Thread: [\[UNIQUE\] XXX-XXXX Money Making Method \[NEW\]](#)

Jahad - January 16, 2026, 6:25 am

Hello HF members,

I'm here to share a brand-new money-making method that I've recently discovered. It falls under the grey-hat category and can generate anywhere from hundreds to thousands of dollars per week with minimal effort.

Due to the nature of this method — and the fact that I'm currently the only one with access to it — I will be selling it exclusively to trusted members who won't abuse it or cause it to get patched.

The only information I can share publicly is that this method allows you to obtain one of the top collectibles right now for \$0, regardless of whether it's worth \$50, \$100, or even \$1,000.

So whether you want to start up a collection, or sell for profit its 100% liquid.

Note: I have just recently discovered this on January 2nd, and I currently have made \$200 with little to no effort.

I am willing to sell this method to a maximum of 3 members.

UPDATE: JAN 23 METHOD CAN BE FULLY AUTOMATED, EARNINGS ARE UP TO 1K IN MARKET VALUE

US/CANADA ADDRESS IS NEEDED [contract=tid]Start Contract[/contract]

If you ever offer a vouch copy, I will be more than happy to provide an honest review.

Unfortunately, I'd like to keep this method exclusive to a very small number of members since I've just discovered it.

Thanks for showing interest ?

Good luck with the sales but why do you have 3 open deal disputes? Would make people hard to trust you.

Please don't trash my sales thread just because I denied a vouch copy, sir.

If you have any questions or concerns, feel free to PM me instead of cluttering the thread.

I am open to purchasing this and will share profits until we reach the agreed payback price. Can you DM me so we can arrange something?

I would encourage you to look through my B-Rating and reputation on the forum.

Edit: I live in the USA if that impacts anything.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

I am open to give a vouch copy if you deem me trust-worthy enough.

As reputable as you are, this method isn't something to give out for free, unfortunately. ?

No, the method is very simple and can be fully automated.

Earnings are up to the thousands with 0 effort, and only a \$10 investment needed.
