Europol Arrests 34 Black Axe Members in Spain Over €5.9M Fraud and Organized Crime

Europol on Friday announced the arrest of 34 individuals in Spain who are alleged to be part of an international criminal organization called Black Axe.

As part of an operation conducted by the Spanish National Police, in coordination with the Bavarian State Criminal Police Office and Europol, 28 arrests were made in Seville, along with three others in Madrid, two in Málaga, and one in Barcelona

I remember first hearing about the Black Axe gang in a podcast. Sounds like some real bad people. Glad justice caught up to them. Unfortunately, I imagine more people will step in to fill the gaps of those arrested.
