Thread: [Looking for reverse engineer](#)

Dexter morgan - January 20, 2026, 6:59 pm

Looking for someone skilled in reverse engineering, code deobfuscation, unpacking, and decryption/encryption reversal. Dont mind paying more than fair if you can get the job done + long term business can pay monthly too.

SIM-5724601 - January 22, 2026, 2:54 am

I can do this I reversed Snapchat.
