Thread: [Looking for motivated media buyers and arbitrageurs for long-term cooperation on CPA](#)

Vamp3458 - January 26, 2026, 5:32 am

I am currently looking for motivated media buyers and arbitrageurs for long-term cooperation. The model is simple, but requires stability and a serious approach.

This format is suitable for those who want to develop, competently test traffic, and build a sustainable model in the long run.

What the collaboration includes:

Attracting candidates for online interviews

Working according to clear and transparent criteria

Constant communication to improve traffic quality

Scaling volumes after confirmed results

Who it is suitable for:

Media buyers and arbitrageurs

Those interested in long-term cooperation

What I offer:

\$20-\$40 fixed CPA payment for each candidate who reaches the interview stage, regardless of the result

Stable weekly payments (USDT BEP)

No traffic cap

Growth potential for reliable partners

If you are interested, please send me a private message

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,

Stanley
