Hi forum members,

I am new to this forum and wanted to know how things work.

I'm a beginner and hope to make friends here.

Welcome to HF! If you're curious about the general ins and outs of the forum then you should definitely check out the [Help Docs](#) first and foremost. Outside of that, doing some looking around will give you an idea of how things generally operate. Is there anything in particular that you're here for or interested in?
