Just be more active, be a HQ member and try to be more friendly, for sure you'll get along with some good members on the forum.

Congrats on the upgrade! As mentioned by others, lots of great additional features you can now enjoy from such. Did you have plans to get L33t had it not been gifted to you? Any plans to get Ub3r now that you have L33t?

Thank you! Yes, I would have gotten L33t if it hadn't been gifted to me. Going forward, I might be interested in getting Ub3r.
