Thread: [ChatGPT Plus Subscription Renewal 12-Months](#)

digital2key - January 29, 2026, 9:07 am

PRICE 95\$

ChatGPT Plus Subscription / Renewal 12 months (official, fast)

For those who need "maximum capabilities" in a personal format + advanced tools.

What Plus gives you:

- GPT-5.2 Thinking (advanced logic/reasoning)
 - More messages and downloads than Free
 - Faster and more image generation
 - Deep Research + Agent mode (extended access)
 - Projects, Tasks, and Custom GPTs
 - Codex agent
 - Sora 1 (video generation) — limited access, if available on your account/region
- Ideal: complex tasks, training, programming, content, research.

<https://t.me/digital2key>

PAYMENT METHOD: BTC-LTC-ETH-USDC-XMR-SOL-USDT-TRX-BNB-WEBMONEY
[contract=tid]Start Contract[/contract]

? IMPORTANT

- "Sora" and some features may be subject to account/regional availability and current service restrictions.
- If we connect to your account, you can always "change your password": after activation.
- You cannot change your email address; this is your account login.

? We are fully responsible for the correct registration and availability of the subscription.

? However, the continued security of your account depends on your compliance with the Usage Policies.

? Please note: bans resulting from violations of OpenAI rules are not covered by the warranty.

Be aware when dealing with this user. Bought this almost 3 weeks ago and continues to ignore on Telegram. I did not have a contract with OP but i could care less about the \$100.
