I understand the referral bonus but the worse the GPT site the higher the bonus unfortunately because they're usually desperate. Atta poll has a 1.9 Trust pilot from thousands of reviews. About to post one of the top 3. Even if don't use my link I think you'd enjoy it much more.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
