For just \$6, this thing can quietly sit in your inbox like a digital lottery ticket — and every now and then, it'll win big.

What You Could Get:

Free access to Microsoft Office, Google Workspace, or JetBrains IDEs (hello developers).

Eligibility for GitHub Student Pack — think Canva Pro, domains, AI coding tools, and \$200k+ worth of dev software.

Student pricing on Spotify, Apple Music, Amazon Prime, Notion, Figma, Adobe... (sometimes they work, sometimes they ghost you — that's life).

Access to course platforms, cloud credits, and VPN trials just because your email ends in @edu
