Sony Interactive

Entertainment's popular baseball sim is back. MLB: The Show 26 launches on PlayStation 5, Xbox Series X|S, and Nintendo Switch on March 17, 2026. Developed by Sony San Diego, this entry builds on the realistic baseball mechanics of past titles, offering an immersive digital way to experience America's favorite pastime. You can get the standard physical edition of the game for \$70 on PS5 and Xbox Series X|S, and \$60 for the Nintendo Switch version. Preorders are available now at multiple online retailers. MLB: The Show 26 Preorder Bonuses By preordering any version of MLB: The Show standard edition, you'll receive the Gold Choice Pack. For the Digital Deluxe Edition, preorders include the Gold Choice Pack and up to 4 days of early access to the full game, starting March 13 at 12:00 AM ET/March 12 9:00 PM PT. These bonuses are only available by securing your copy before the game's launch date. Continue Reading at GameSpot

I've done the pre-order to play a day early once... couldn't play early as servers were overloaded and downloads were failing. Was dumb. Will never do that again. I'd prefer to wait now.
