Thread: [For sale: Access to a major international sportsbook platform](#)

Sunsetblvd - February 7, 2026, 4:42 am

????????????????????

For sale: Administrative access to a major international sportsbook platform. This master portal has 90,000+ active agent websites operating across Asia and numerous global markets.

The portal access includes:

Complete transaction histories and financial data.

Back-end/Back office login credentials to all agent casino sites.

Comprehensive API documentation and integration details for each agent/casino.

Authority to automatically credit (top-up) agent and master agent accounts.

You can leverage this access to generate over \$1.5 million with minimal effort.

Serious inquiries from qualified buyers only.

Escrow accepted!

Contact -> TG: <https://t.co/VXy3Qh3cpN>

why are you selling it ?

you can literally mint money with this

loadman - February 7, 2026, 1:14 pm

if u can generate 1.5M\$ and ur selling it? then whats the catch here?

We have access to many systems. We are hackers, and we sell this access.

We are not involved in all the operations ourselves. If you set up an agent account with a casino, you can take part in the process and manage the play. That's how you can make money.

These accounts come with a "top-up" feature.
