Thread: [Techno music reccomandation](#)

marlborogold - February 12, 2026, 11:40 am

Link here your favorite techno song ever, a song that makes you wanna dance even if you just woke up. All sub-genres allowed, like Hardcore, Schranz, HardTechno etc.

DarkVision - February 13, 2026, 7:28 pm

I apologize if I'm straying from the thread topic, as this isn't EXACTLY techno.

It's more like freestyle and, to be honest, awesome.
