Thread: [975k Bytes Win; Split Between 2 Bets Simultaneously In The Same Night](#)

Mooooookie - February 12, 2026, 12:30 pm

Sportsbook: The Gift and the Curse.

While I've lost a lot of bytes via Sportsbook, I've also gained a sizable amount via Sportsbook since being on the forum. Yesterday, was a good day.. I made approximately 975k+ Bytes in profit, split up amongst 2 different bets.. running simultaneously. Both bets were for 500k Bytes each.

Bet 1:

? 500,000

+? 1025000

Bet 2:

? 500,000

+? 976190.48

Whenever I win.. the people of the forum win, as I always share my winnings thru contests.

2 more days until the [Valentine Day 100k Bytes Contest](#) winner is drawn.

You got a big win coming up, I can feel it. Keep playing. I think you play Sportsbook just as much as me tbh.
