? SEEKING A WHATSAPP BAN SPECIALIST ?

(Permanent ban—spam, CP, or custom violation. No fake services, no delays.)

? WHAT I NEED:

? Permanent WhatsApp ban (not temporary).

? No logs, no traces—fully anonymous.

? Fast delivery (within 12–24 hours).

? Any ban reason (spam, copyright, fake news, etc.).

? BUDGET:

- \$20–\$50 (Monero/XMR or Bitcoin/BTC).

- No scams, no middlemen—direct service only.

? HOW TO CONTACT ME:

- Telegram: [deleted]

- Payment: Monero (XMR) preferred (no bank traces).

- No upfront scams—proof of work before payment.

? REQUIREMENTS FOR THE HACKER:

? Proven success rate (no fake reviews).

? No questions asked—just deliver the ban.

? No delays—instant or fast execution.

? No logs stored—privacy guaranteed.

? EXAMPLE OF WHAT I EXPECT:

> "Ban +1 (XXX) XXX-XXXX for spam violation. Payment: 0.05 XMR. No follow-ups, just results."

? IF YOU CAN DELIVER, REPLY WITH:

1. Your success rate (proof if possible).

2. Turnaround time (how fast you can ban).

3. Payment method (XMR/BTC preferred).

4. Any extra details (e.g., "I use carrier exploits").

? NO SCAMMERS, NO FAKE SERVICES—JUST REAL RESULTS.

(I'll verify your work before payment.)

? REPLY BELOW IF YOU CAN HELP!

(No wasted time, no fake promises—just a permanent WhatsApp ban.)
