Thread: [10,000 Bytes Contest - Upgraded Members Only](#)

JoseMar - February 13, 2026, 6:49 am

It's been quite some time since I last hosted a contest, and I'm excited to bring this one to you.

The requirements are simple and straightforward, keeping things fair and accessible for everyone.

Please note that participation is exclusively available to upgraded members.

You'll find all the details outlined in the infographic. Best of luck to all participants!

[Binaryrider](#) Number 24 did not complete all the requirements, meaning he did not give maximum popularity, he did not give any at all ...

plus he did not even give QL to the thread ... so 24 will not receive the prize

It was drawn again and the number 8 came out

[SIM-4331310](#) He is the winner!
