Not really. Apart from the starter Connects or occasional promos, you'll need to purchase them. Just make sure you're using them wisely.

I have upwork account that still have 98 connects, but I haven't been using it for a while what is the tip to use it wisely as you said? I'm not selling my account.

Chatgpt says no we cant transfer the connects to other account.

Edit: I got a way to fix the contracts issue.
