Thread: [Who's playing Resident Evil 9 when it drops?](#)

toast e - February 14, 2026, 1:55 am

I Don't really buy games on release but Resident Evil is my exception. Anyone else looking forward to it? In my opinion RE7 is the best of the series which maybe a hot take lol.

Deany - February 14, 2026, 1:57 am

Not me, I will watch a playthrough of it on youtube most likely.

Ever since the PlayStation 1 days, I've always been scared to play Resident Evil. I don't know why.
