Thread: [Best old school gangster/crime movies?](#)

Montana600 - February 19, 2026, 12:45 am

Whats up everyone. Im in the mood of watching some old school crime/gangster movies, or even TV shows if there are some good ones.

My favourite is forsure scarface, followed by casino. I just rewatched scarface recently and want to see some ones I havent watched before. Ive also seen the whole of peaky blinders which I also enjoyed heaps.

If anyone has any suggestions, let me know!?

I agree with this, pulp fiction was a great classic movie that everyone must see at least once!
