Thread: [Rayman's 30th Anniversary Edition Is Just The "First Step" In Franchise's Comeback,](#)

Stanley - February 22, 2026, 9:20 pm

Rayman's 30th Anniversary Edition Is Just The "First Step" In Franchise's Comeback,

Ubisoft recently announced a 30th anniversary edition of the 1995 original Rayman, but that might not be the only project the company has on tap for the iconic franchise. Speaking to Variety, Ubisoft CEO Yves Guillemot said the 30th Anniversary Edition of the game is "the first step in the brand's comeback." Guillemot did not have any news to share in the interview about what's next for Rayman, but the executive said Rayman has "unique charm and enduring appeal," and more is in store.
