Hi Community,

I am in need of shells/online/rdp's.

Does anyone know where these can be purchased?

Hey bro I was busy. I need to have your contact off site , later on just in case you decided to be offline.

Relax and chill out cause you just joined, usually new users like you would just log out and never come back you know?

sorry, i was following the forum admins recommendations on when someone immediately asks you to go off site, they are a scammer.

So sorry mate.
