Arc Raiders A Rising Tide Quest Guide

Arc Raiders sends you to Buried City and Dam Battlegrounds for the A Rising Tide quest, with multiple steps required to reach its conclusion. There's nothing overtly difficult about this journey, but there are some easier ways to get things done that you may want to know about. And hey, that's why we're here. Let's take a look at how to complete A Rising Tide.

On Buried City, find the foreman's barricaded apartment south of Piazza Roma
On Buried City, find the foreman's barricaded apartment south of Piazza Roma
The first step to the A Rising Tide quest is to visit the foreman's barricaded apartment. This is located in one of the dual buildings just south of Piazza Roma on the left side of the map. The easiest way inside this building is to first head to a rooftop across from the building to find a zipline. Check the map below for the exact location of this zipline.

Honestly, great quest design. It nudges you to explore, and once you spot the zipline trick it feels smooth and satisfying.

Arc Raiders is shaping up to be a seriously good game.
